

Site Carpenter

Full Time

Established in 1868, Kingerlee has been providing high-quality buildings in Oxfordshire and the surrounding counties for five generations. We are a family firm with great values and a forward-thinking, energetic approach. We have a passion for construction and thrive on high quality, challenging projects.

Our experience is wide-ranging and includes independent schools, luxury bespoke private homes, university and college projects, hotels & leisure schemes. We believe that we have an enviable track record in new build, conversion, and restoration projects, large and small. We operate in Oxfordshire and the surrounding counties. Supported by an established supply chain and our experienced workforce, we have the skills to undertake all types of building projects up to £25 million.

Job Role

We are currently looking to recruit a site carpenter to join our team on a permanent basis. Based in Oxford and surrounding area.

Essential Skills and Experience

- A relevant qualification but evidence of experience will be considered.
- Proven experience in working on construction sites.
- Ability to complete works to a very high standard.
- Good understanding of Health and Safety
- Driving licence and access to own transport

In return Kingerlee are offering:

- 25 days paid holiday + Bank Holidays.
- Long service leave – additional holiday entitlement after 3 years' service increasing to max 30 days after 10 years' service.
- Travel Allowance and Expenses in additional to hourly salary (dependent on miles travelled).
- Pension scheme with employer contribution.
- Cover under B&CE.
- Access to training and development.

Salary Range & Hours of Work

Hours – 07:30 – 16:30 Monday – Friday

To apply, please send your CV attached to a brief covering letter outlining why you feel you would be the right candidate for the role to recruitment@kingerlee.co.uk quoting “Site Carpenter Vacancy” in the subject.

COVID-19 considerations

To keep our workforce as safe as possible, we have adopted COVID-19 safety measures across our sites and Head Office.
