

Project Manager

Full Time

Established in 1868, Kingerlee has been providing high-quality buildings in Oxfordshire and the surrounding counties for five generations. We are a family firm with great values and a forward-thinking, energetic approach. We have a passion for construction and thrive on high quality, challenging projects.

Our experience is wide-ranging and includes independent schools, luxury bespoke private homes, university and college projects, hotels & leisure schemes. We believe that we have an enviable track record in new build, conversion, and restoration projects, large and small. We operate in Oxfordshire and the surrounding counties. Supported by an established supply chain and our experienced workforce, we have the skills to undertake all types of building projects up to £25 million.

Job Role

Candidates should be able to manage projects with little or no supervision, utilising previous experience to complete projects on time and within budget with a focus on the highest levels of quality of delivery and health and safety.

A demonstrable track-record as a Project Manager is a requirement of this role, ideally with experience of working on high specification new build and refurbishment projects. The candidate should have experience working with for a main contractor and should be looking for a permanent and long-term career.

Work experience is of course relevant but a keenness to work hard, learn and a positive attitude towards career progression are just as important.
